51 Pre-Submission Havant Borough Local Plan 2036

Councillor Turner presented the recommendation from Cabinet. She thanked the officers involved in producing the document and stated that it was important that it be approved to meet the needs of the Borough and support the Regeneration Strategy that had been unanimously approved by Council. She understood and shared some concerns, however development was inevitable, and the choice was between ad-hoc development or higher quality planned development, which was only achievable with an up-to-date local plan.

Council received the following deputations:

- Mr Lyons (on behalf of Alison Jackson)
- Mr Lyons (on behalf of Portsmouth Water)
- Mr Tate (on behalf of Bedhampton residents)
- Mr Graham
- Mr Harbottle (on behalf of the landowner of land north of Long Copse Lane)
- Cllr Hitchcock (Westbourne Parish Council)
- Mr Ashe (on behalf of Emsworth Residents Association)
- Mr Montgomery (on behalf of Long Copse Lane Action Group)
- Cllr Fairhurst (Hampshire County Council)
- Ms Skennerton (on behalf of Hayling Island Residents Association)
- Mr Palmer (on behalf of Save Hayling Island Group)
- Mr Parham (on behalf of Save Our Island)
- Mr Oliver
- Mr Norton (on behalf of Havant Borough Residents' Alliance)

Cllr Turner proposed the Cabinet recommendation.

This motion was duly seconded by Cllr Pike.

Cllr Kennett spoke, concerned about the inclusion of H8, land north of Long Copse Lane as an allocated site within the Local Plan.

Cllr Kennet proposed the following amendment to the Cabinet recommendation (*additional text in italics*):

“a) Approves the publication of the Pre-Submission Havant Borough Local Plan 2036 (appendix 1) *omitting site H8, land north of Long Copse Lane.*”

This amendment was duly seconded by Cllr Cresswell.

Following a vote this amendment was declared LOST, 12 Councillors voting for the amendment, 17 Councillors voting against the amendment and 2 Councillors abstaining from voting.

The Mayor then invited Councillors to debate the recommendation.

Councillors emphasised the difficulty of the decision, as the allocations contained a number of contentious sites that some councillors did not support. However, under the NPPF there was a presumption in favour of allocating any sustainable site and it had to be borne in mind that the Local Plan centred around providing much needed homes. Assurance was given that infrastructure would be in place and that the Local Plan complimented the Regeneration Strategy for the Borough.

Councillors highlighted the consultation that had taken place to date and reminded residents that the plan would be subject to a further round of public consultation and the Planning Inspector’s examination would also be held in public. Additionally, each planning application that came forward would need to be determined on its own merits by the Development Management Committee.

As proposed by Councillor Turner and seconded by Pike, it was unanimously RESOLVED that Council:

a) Approves the publication of the Pre-Submission Havant Borough Local Plan 2036 (Appendix 1);
