ITEM 14 - QUESTIONS UNDER STANDING ORDER 23

	Question from	Question to	Question
1.	Cllr Carpenter	Cllr Wilson	<p>I was very concerned to read in your report that we as a Licensing Authority seem to have no control over drivers / operators in our Borough as at present no national standards exist?</p> <p>In view of these grave concerns can he tell me the steps we can take to stop operators / drivers, licensed outside the Borough but being able to ply for trade within , also would he agree with me this is a Safeguarding issue that needs to be addressed urgently?</p>
2.	Cllr Carpenter	Cllr Bains	<p>I note that during Jan this year 117 fixed penalty notices were issued through the Borough.</p> <p>Can you please tell me how this compares to the same period last year, increase/ decrease and do with have, in your opinion sufficient staff to adequately patrol the Borough and be effective?</p> <p>On my weekly ward walks I am still amazed at amounts of litter I witness, even allowing for the first rate work of Norse employees, throughout the Borough.</p> <p>It must be soul destroying for them to be presented day in day out with the mountain of litter?</p>
3.	Cllr Carpenter	Cllr Bowerman	<p>I was pleased to read in your report some Senior Management have recently attended IOSH training.</p> <p>During my time during the 80s I attended Highbury College for two years to become a Health and Safety Officer also taking the ISOH qualification.</p> <p>Can I ask if in the future if members</p>

			could also share and gain an insight into this very complex field with a view to increasing knowledge and understanding?
4.	Cllr Carpenter	Cllr Hughes	I note from your under Waste and Recycling, over the Christmas/ New Year period a 'no quibble ' scheme operated ? Could you inform me if this had a cost implication for the Borough and why / how this was found to be necessary at this time?
5.	Cllr Davis	Cllr Wilson	<p>Following the Hayling Island Transport Review.... Will you / Have you applied to the Solent LEP for necessary funds to build another road and bridge required for Hayling Island?</p> <p>This is a much needed infrastructure required to relieve the stress of bottlenecks on the A3023 and would greatly help the attractiveness of Havant's Boroughs Regeneration projects along Hayling Islands seafront and give it more chance of success.</p>
