Agenda Item 5(1)

Update sheet re APP/19/00427 – Land at Lower Road, Havant

The Officer Report produced for this item is updated/corrected as follows:

Executive summary (and within the report)

Public Open Space (POS) figures should be 1.73ha and developable area 2.07ha, resulting in a density of 24 dwellings to the hectare.

The modelling of the assessed junctions has been extended to 2024 and not 2014 as stated in the report.

1.Site Description

Page 8 para 1.5, second line – reference is made to a gap in the “north west corner” to provide access, but should read “north east corner.”

6. Community Involvement - Summary of Representations

Page 45 – In addition to the 170 representations of objection the Council has received 38 cards of support for the scheme from the local community

Since publishing the report, 3 further letters of objection have been received on the following grounds:

- inadequacy of the highway infrastructure
- adverse impact on the Conservation Area
- inadequate consideration of the impact on the lifestyles of this mature community
- An alternative access should be considered
- Historic England should be consulted
- undue reliance on guidance from the developer instead of the Council's own teams and local communities.
- What are the long-term plans for the area– will more land be built on?

Officer comment - Historic England have been consulted and offer no comments. The comments of both local residents and Consultees are set out in the report and inform the planning considerations.

9. Recommendation

Amendment to Condition 2:

The list of plans and documents in respect to Condition 2 should read:-

Additional recommended condition

Condition 21:

Notwithstanding the provisions of any Town and Country Planning General Permitted Development Order (as amended), no extension, building or structure permitted by Part 1, Classes A/B/C/E/F and H of the 2015 Order, as amended, shall be erected within the curtilage of Plots 1, 10, 11, and 22 to 28 inclusive without the prior written approval of the Local Planning Authority.

Reason: To safeguard the amenities of the Conservation Area and occupiers of neighbouring property and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
