Item 6 - Havant Borough Council Budget 2024/25

Paragraphs 7.5 and 17.4 of the submitted report have been amended to read as follows:

17.4 *Council Tax: The budget proposals assume that Council Tax will increase by 2.99% for 2024-25 representing £232.82² at Band D. This overall forecast also includes a small increase to reflect growth in housing numbers year on year.*
