OUTSIDE ORGANISATION FEEDBACK FORM

Outside Organisation:	Community First
Councillor Representative:	Beryl Francis
Date of meeting attended:	October 4 th 2018
Summary of the meeting:	<p>I meet with Tim Houghton, CEO of Community First, every two months</p> <p>We discussed the present situation with regard to the regeneration of Leigh Park Centre, the progression of the Positive Pathways group, Podiatry, transport for the disabled and the particular financial difficulty of making the centre viable.</p>
Benefits to the Council:	<p>Community First is doing wonderful work throughout the Borough.</p> <p>We are very lucky to have them. Many Community Groups would fail if it were not for their support both practical and in training.</p>

Recommendation – I recommend / ~~do not recommend~~ that a Havant Borough Councillor continues to attend meetings of this outside organisation.

Signed: B. B. Francis
