

**Havant Borough Council – Decisions taken by the Cabinet on Wednesday, 28 October 2020**

Agenda Item No	Topic	Decision
<b>Part A – Items considered in public</b>		
6	Langstone Flood and Coastal Erosion Risk Management	<p>RESOLVED that Cabinet:</p> <p>a) Noted the positive progress of the outline design study and the notable success relating to securing or identifying funding to take it forwards into detailed design;</p> <p>b) Noted the Community Infrastructure Levy contribution from Havant Borough Council to protect the main road access onto Hayling Island from flooding. This is critical for delivery of the Local Plan however, the funding also forms an important part of the solution to reduce flood risk to the Langstone community;</p> <p>c) Approved the outline design and recommended route alignment options, the detailed design will be bought back to Cabinet for approval, noting the polarised community views on some stretches of the frontage; and</p> <p>d) Delegates authority to the head of coastal partnership, acting in consultation with the portfolio holder, S151 officer and monitoring officer, to appoint professional services and approve Change Events to the NEC Professional Services Contract, given that the total contract value (estimated to be £250k - ~£400k) exceeds individual sign off limits in this case. All in compliance with procurement requirements.</p> <hr/>
7	Disposal of Former Landfill Site known as Brockhampton West	This item was withdrawn from the agenda.
9	Capita Contract Negotiations	Resolved as set out in the exempt decision.
