PROTOCOL AT MEETINGS – RULES OF DEBATE

Site Briefing

- A private remote meeting may be held to enable the Councillors to familiarise themselves with a site's characteristics and request additional information to be provided prior to the meeting the Development Management Committee, where it is considered necessary to do so.
- A site briefing will normally be initiated either by:
 - The Head of Planning in advance of the Development Management Committee, in circumstances where she considers it important to understand the physical circumstances of the site, and representations of third parties (particularly where a deputation is expected), or where the application raises issues of precedent where Councillors need to understand the wider implications of any decision
 - The submission of a Red Card and specific request to site briefing by a Councillor
 - Resolution of the Development Management Committee
- The site briefing is an opportunity for members of the Committee to familiarise themselves with the site officially and have a proposal explained to them by Officers. No decision is made at a site briefing; the matter is always referred to a future meeting of the Development Management Committee for decision.
- Whilst attending a site briefing it is important for members of the Committee to consider:
 1. The site layout and boundaries;
 2. Physical features and constraints including levels and orientation;
 3. The general characteristics of the site and how it relates to the surrounding area;
 4. Nearby land uses, and
 5. Any relevant transport issues affecting the site.
- The site briefing should be a 'fact finding mission' and a means of identifying issues for consideration by the Development Management Committee. It must not therefore be used as an opportunity to debate the merits of an application. There will be no opportunity to receive representations from members of the public or applicants. Members should however ask questions of the Officers present, make points and highlight certain characteristics that they can only draw to the attention of other members of the Site briefing.

- The minutes of the meeting shall be published. The presentation together with supporting materials, which have not already been published on the Council's website, will be published as an appendix to the minutes of the meeting.
- Any member of the site briefing who has a disclosable pecuniary interest (as set out in the Members Code of Conduct) or has formed a concluded view – in the application must disclose to the meeting the existence and nature of that interest. If a disclosable pecuniary interest or a concluded view is declared the Councillor must not take any part in the site briefing or vote on the recommendation regarding the site in question and must not be part of the meeting during the briefing.
- Whilst the site briefing does not make a decision on an application or other planning matter, it is normal working practice for the briefing to make a recommendation to the Development Management Committee in one of the following forms
 1. To resolve, on the basis of the site briefing and information available at the time, that the site briefing does not wish to draw to the attention of the Development Management Committee any additional matters, OR
 2. To resolve on the basis of the site briefing and information available at the time, that the site briefing would wish that the Development Management Committee to consider the following matters in addition to those detailed in the Head of Planning report before making a decision:
 - a. the need for additional information, and/or
 - b. the need for additional conditions, and/or
 - c. areas of concern arising from the site briefing
- The Chairman will seek to secure a majority view as to the recommendation for the need or otherwise of additional matters being drawn to the attention of the Development Management Committee. If it is apparent that a majority cannot be obtained, he will recommend that the site briefing do not record a view.
- Any Councillor interested in a matter on the agenda can attend the site briefing, in order to have a better understanding of a proposal in their own ward or one that is of Borough wide interest. However, other Councillors attending the site briefing will not be allowed to address the working party, other than to point out matters of fact, detail, local knowledge and history.
- No recommendation of the site briefing to the Development Management Committee should be regarded as the final view of any Councillor as to how an application should be determined by the Committee.

Submission of Questions for the Development Management Committee

- Councillors are encourage to forward questions to be raised at the meeting to Democratic Services at least 4 hours before the meeting. These questions can then be addressed either as part of the officer's presentation or shortly after. This

does not inhibit your ability to ask questions at the meeting, but questions in advance can help facilitate a smoother and easier to follow virtual meeting.

- Questions cannot be directed to persons who have submitted written deputations.
- Questions and answers will be published and attached as an appendix to the minutes.

Meeting Protocol

- Microphones will be muted centrally unless it is a councillor/officers turn to speak. When unmuted centrally please note that a councillor/officer will also need to press the unmute button before speaking!
- Councillors are encouraged to arrive at the virtual meeting no less than 15 minutes prior to the meeting start time. This will allow any technical issues to be resolved and the quorum to be confirmed.
- Whilst being held remotely, the meeting remains a formal meeting of the council with the same rules of conduct. There is the potential for greater audience numbers due to people being able to watch from their own homes. The meeting will also be recorded and the recording publicly available.
- After reading the report and attending the site briefing, if any, Councillors must forward primary questions to Democratic Services at least 4 hours before the meeting to facilitate a smoother meeting. These questions will be addressed by the officers at the meeting. Please note that the opportunity to ask supplementary questions at the meeting will be limited (please see above).
- There is a viewing pane showing all participants on the left-hand side (clicking the icon depicting three people in the top left of the screen will open). This lists the attendees (committee members) in alphabetical order, which is useful to ascertain when you will have an opportunity to speak.

The Chairman will read out a detailed introduction to outline how the meeting will run.

Apologies for Absence

Will be read by the Democratic Services Officer.

Confirmation of Attendance/ Declarations of Interest/ Supplementary Matters

For expediency, the Chairman will ask each councillor in turn to confirm the above. Attendees will be able to mute and unmute their own microphones. Councillors and Officers are requested to mute their microphone when not speaking and wait to be invited to speak by the Chairman at the appropriate time unless you they are experiencing technical difficulties in hearing another person. A standard form of words has been drafted:

Present. I confirm that I have read the Supplementary Matters papers and that I have no interests to declare.

If you have an interest:

Present and I confirm that I have read the Supplementary Matters papers. I have an interest to declare in application xxxx/xxxx – Land at xxxxx, item x of the agenda.

The nature of this interest is xxxxxxxx and I shall.....(remain in the meeting for the discussion/voting on this item/ remain in the meeting for the item but abstain from voting/ withdraw from the meeting for this item)

Please use this form of words.

Confirmation of Minutes

The Chairman will ask each councillor in turn whether they have any amendments to the previous minutes. Either reply 'No amendments Chairman', or yes and clearly state the amendment.

The Chairman will ask for a proposer, at this point all microphones will be unmuted. The first councillor to speak, stating only their name 'Cllr X' will be taken as the proposer. The process will be repeated for the seconder. Prior to speaking please remember that you need to unmute your microphone!

First Application

The officer will introduce as usual, with a PowerPoint shown via Skype for Business. During his introduction, the officer will highlight any new issues raised in the presentation, which are not covered in the report or supplementary papers. Public and ward councillor deputations will be submitted in advance and published. They will not be read aloud.

Following this the Planning Officer will respond to the deputations and answer questions that have been submitted by members of the committee prior to this meeting. After a reply has been given to each question, The Chairman shall ask the Councillor, who asked the questions if they are satisfied with the answer and/or have a supplementary question prompted by the answer.

The Chairman will then ask each Councillor in turn whether they have any supplementary questions. Once questions have been answered the Chairman will move to the debate. This will follow the same format as questions. Councillors are encouraged to move a motion (including an amendment) at any stage during the debate. The Chairman will announce when a motion has been proposed and name the proposer and will then call for a seconder. All microphones will be made live and Councillors must state their name if they wish to propose/seconder. At this point the Chairman shall ask each Councillor in turn if they wish to speak, the debate centring solely on the motion.

If members are minded to refuse an application, contrary to officer advice they must clearly state their reasons for refusal. If a member wishes to add conditions not recommended by the officers, he or she must also give reasons for this new condition. These reasons will be noted by the Officers. Councillors should make it clear that they are putting a motion forward and state the wording of the motion clearly.

Officers shall be given an opportunity to comment on any motion (including amendments) and any issues raised during the debate.
At the end of a debate the Chairman shall ask each member, alphabetically, if they have anything to add.

Voting

When voting, the Chairman will ask each Councillor in turn, alphabetically, to state either 'FOR, AGAINST or ABSTAIN'. Your microphone will be made live to enable you to speak, but please - remember to unmute before speaking!
The Democratic Services Officer will confirm the voting numbers, following which the Chairman will declare the result of the vote.
