Public Attendance and Participation

Members of the public are welcome to attend the Public Service Plaza and observe the meetings.

The Council endeavours to live broadcast meetings on the Council website and make the webcast of the meeting available for a period up to 6 months. Please note that the meeting will continue, if the broadcast fails at any point.

This meeting is being recorded and the recording will be published on the council's website and be available to watch for up to six months from the date of the meeting. IP addresses are not collected, however in order to function, Microsoft Teams collects background data limited to the web browser version used. Data collected will be kept and recorded for the purposes of this meeting only.

A Member of the Public may only address the Committee if a summary of the text has been received by the Democratic Services Team no later than 12 noon three working days before the meeting. The speech shall reflect the summary provided. Written deputations may be sent by email to the address set out below.

If there has been a deputation within six months of any previous appearance on the same or similar topic (irrespective of whether or not the member(s) of the deputation might be different) then no such new deputation will be received until that time limit has expired.

The Monitoring Officer may rule out of order any address that:

- Is vexatious, derogatory, defamatory, frivolous or offensive
- concerns a Council employment or staffing matter or sensitive personal information about a Councillor;
- is unrelated to functions of the Committee; or
- has been previously considered in the last 6 months.

All written deputations, unless considered exempt, will be published on the Council's website at least 24 hours before the start of the meeting. There will be no opportunity to respond to a written deputation after it has been published, unless the response is to correct a technical error and is received 4 hours before the start of the meeting.
