## 25 Licensing Sub-Committee

The minutes of the meeting of the Licensing Sub-Committee held on 3 October 2013 were agreed as a correct record.

## 26 Private Hire Vehicle Driver's Licence

*(this minute was taken in camera)*

The Committee was requested to consider whether the licensed driver MW continued to be a fit and proper person to hold a Combined Hackney Carriage / Private Hire Driver's Licence.

The relevant legislation stated that a district council shall not grant a licence "unless they are satisfied that the Applicant is a fit and proper person to hold a driver's licence".

There was no statutory definition of "fit and proper person" but case law suggested that the issue of whether an applicant was a fit and proper person should be approached by proper consideration of the objectives of the licensing regime. These objectives were intended to ensure that, so far as possible, those licensed to drive private hire vehicles were:

- safe drivers with good driving records and
- adequately experienced and
- sober and
- mentally and physically fit and
- honest and
- not persons who would take advantage of their employment to abuse or assault passengers and
- not persons who would take advantage of their employment to engage in criminal activity

The Chairman outlined the Committee's procedure for dealing with the possible revocation of a Hackney Carriage/Private Hire driver's licence.

The Licensing Officer presented his confidential report to the Committee.

The driver was given an opportunity to address the Committee in support of his case and answered members' questions.

The driver and the licensing officers left the meeting during consideration of the application and were invited back into the meeting to receive the Committee's decision.

RESOLVED that the Committee considered that the driver no longer remained a fit and proper person to hold a Hackney Carriage/Private Hire Driver's Licence, and therefore his Hackney Carriage/Private Hire Driver's Licence be revoked with immediate effect on the grounds of public safety having regard to the matters reported at the meeting, as set out in the submitted documents, and in particular for the following reasons:

*Licensing Committee (15.1.14)*

- a) The driver indicated that he would be aggressive towards passengers in similar circumstances to the incident before the Committee; and
- b) His apparent lack of regard to the Council's Hackney Carriage and Private Hire Code of Conduct; and
- c) Throughout the interview and subsequent hearing his attitude has been dismissive of the process and he has shown a lack of remorse.

**The meeting commenced at 5.00 pm and concluded at 6.30 pm**
