

Council Meeting – 22 July 2015
Questions under Standing Order 23.4
From Cllr Cousins

To Cllr Fairhurst:

- (1) Would the portfolio holder agree that the cost of providing 'Serving You' could be reduced by carrying commercial advertising as does 'Hampshire Now' and other local authority magazines?

To Cllr Briggs:

- (2) What is the current rate of household recycling in the borough and how does this compare with our target?
- (3) Is the work done to promote recycling by two former employees being carried out by anyone else or has this effort now been lost?
- (4) Does the portfolio holder agree that Project Integra seems to now lag behind other authorities in providing more modern arrangements for recycling?
- (5) Is the portfolio holder aware that there seems to be a number of people working at the Plaza who do not have car parking passes and are parking in local roads to the annoyance of residents?
- (6) How many more people are anticipated to be working at the Plaza and is there sufficient car park capacity to accommodate them?
