

5 COUNCILS' CORPORATE SERVICES PROCUREMENT – CONTRACT AWARD REPORT

In view of the tight time scales within which the 5 Councils' Procurement Scrutiny Panel has to conduct its scrutiny of the procedures relating to the 5 Councils' contract, it is impracticable for the Panel's reports to be submitted for consideration by the Scrutiny Board before a decision is made by the Cabinet and/ or Council.

It is therefore

RECOMMENDED

That authority be delegated to the 5 Councils' Procurement Scrutiny Panel to make the report and recommendations to Cabinet and or Council on the scrutiny of the 5 Councils' Procurement Contract procedures.
