

Appendix 3: sites with uncertain potential at this stage - site maps

December 2016

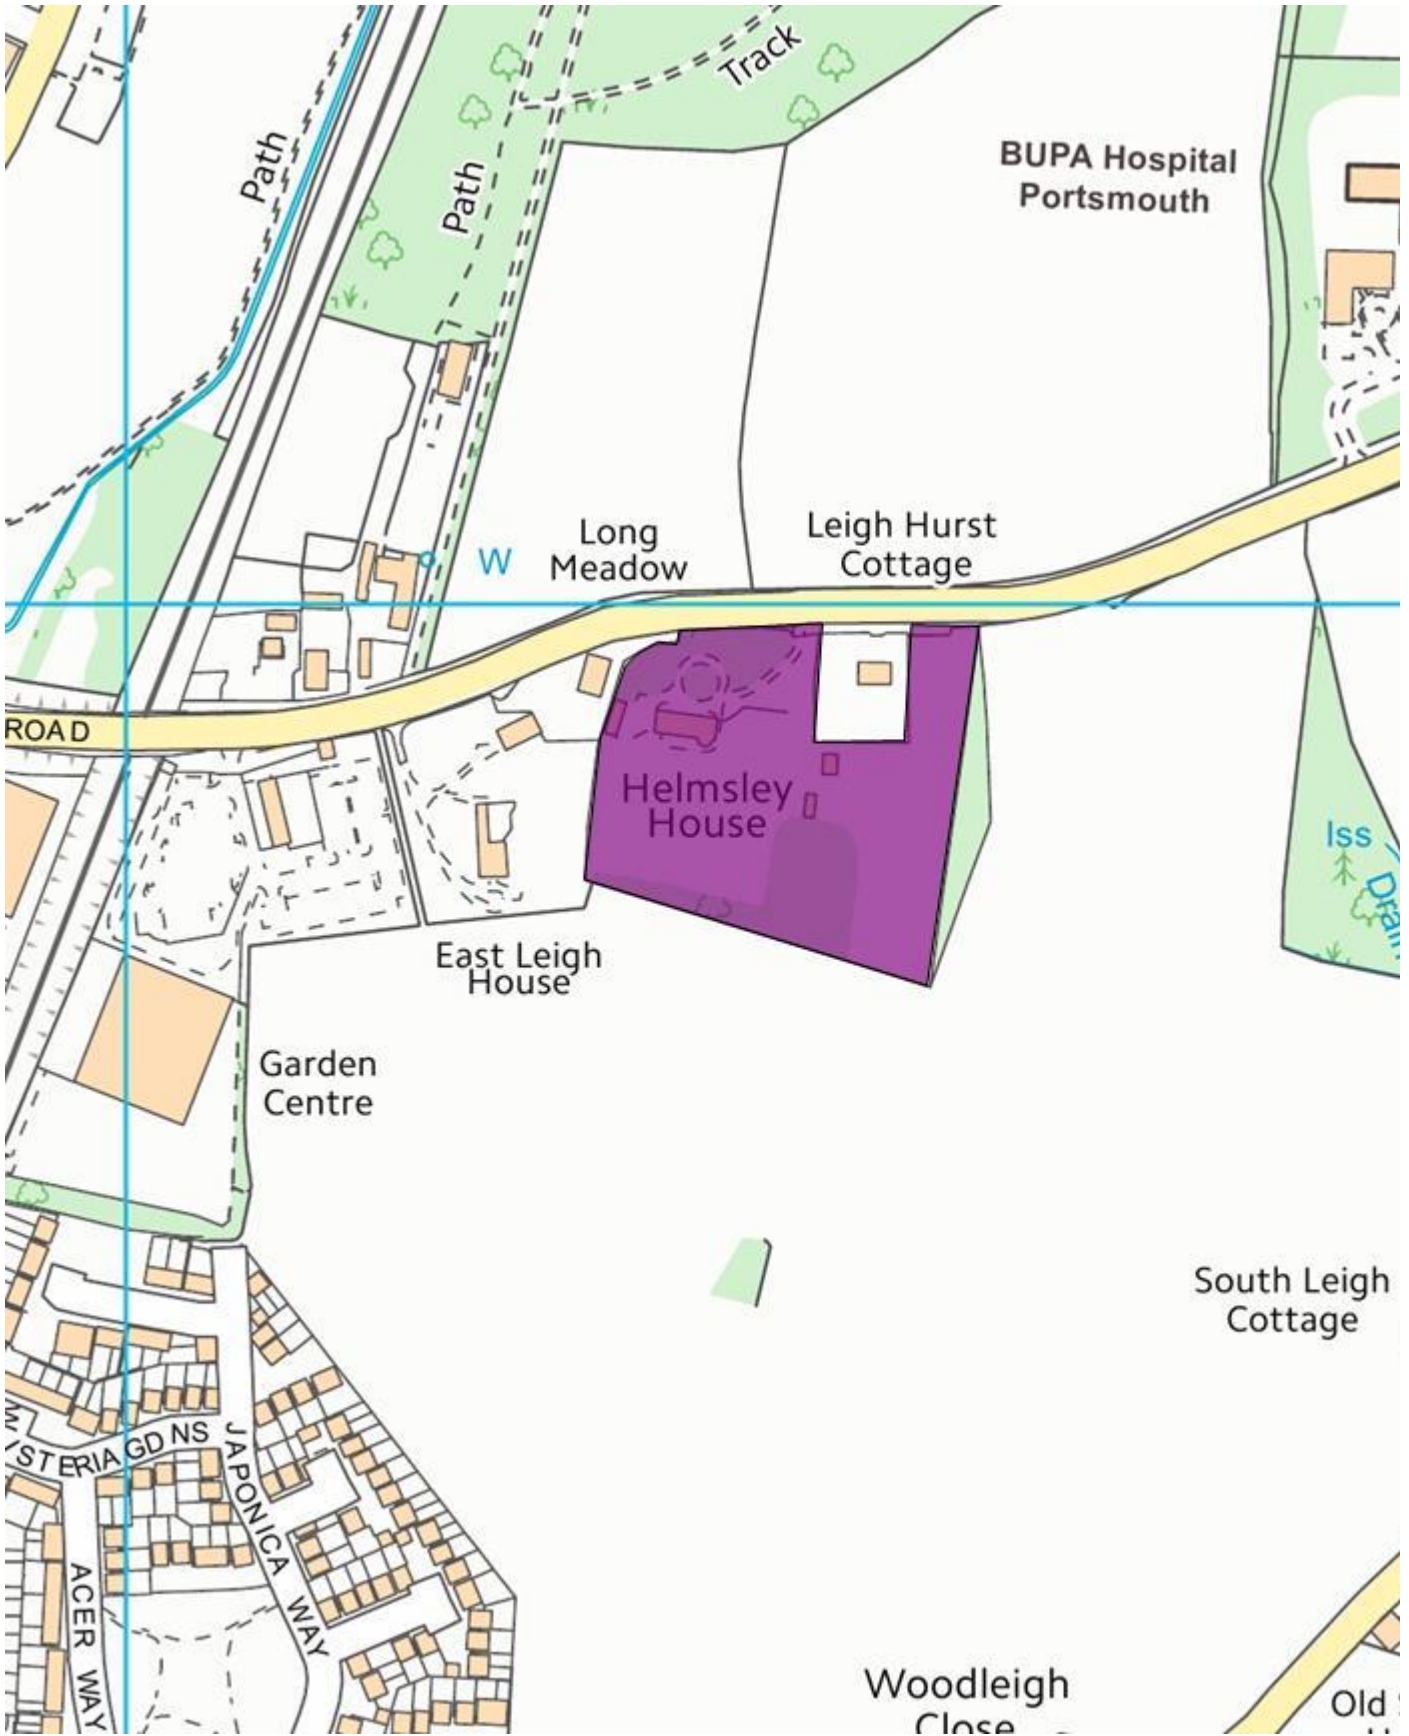

1. The sites in this appendix have been submitted through the consultation on the Draft Local Plan Housing Statement. The boundaries are the ones which were submitted through the consultation.
2. The sites are noted in paragraph 3.25 of Appendix 2 of this report (Local Plan Housing Statement) as having uncertain potential for development at this stage.
3. The site plans in this appendix are provided for illustrative purposes only. They do not confer any presumption as to whether they are considered suitable for development and so whether they would be included in the Havant Borough Local Plan 2036.
4. Please note that no other identified development sites have been included on these maps.

UE02a Land north of A27 and further east of Castle Avenue

UE54 Southmere Field, Langstone Road

UE75 Helmsley House, Bartons Road
