

Havant Borough Council – Councillor Development Strategy 2017-2019

1 Councillor Development Strategy

- 1.1 Councillor development is seen as important to help elected Councillors fulfil their roles and contribute to the delivery of the Council's strategic priorities, objectives and aims. This strategy ensures that a long term view is taken of Councillor Development that also affords flexibility to reflect changing priorities.
- 1.2 This strategy recognises that Councillors are not employees of the Council and strives to help them seek a balance between their demanding roles inside and outside of the Council.
- 1.3 The Councillor Development Panel will take a leading role in the implementation, monitoring and evaluation of this strategy.

2 Vision

- 2.1 The vision is for all elected Councillors to have the necessary skills and knowledge to perform effectively in their current or future roles within the Council.
- 2.2 To help achieve this vision, the following values will apply:
 - Development opportunities will be available to all elected Councillors, irrespective of political allegiance.
 - Development activities will be based upon agreed training needs as identified through the Councillor needs analysis process.
 - Councillor development will be delivered through methods which ensure equality of access and taking into account different learning styles.
 - The Council will recognise that Councillors may have transferable skills which can be utilised in the Council to help them perform their Council role.

3 Aims

- 3.1 The Councillor Development Strategy aims to:
 - Create a clear framework for Councillor development based upon individual and organisational needs.
 - Ensure all Councillors have the necessary skills at the required level to conduct their roles effectively.
 - Ensure Councillors have the skills and knowledge needed to oversee the delivery of high quality public services through their community leadership roles.
 - Ensure Councillors feel confident to undertake their roles.

- Ensure Councillors are fully aware of their responsibilities and accountabilities to deliver good governance.
- Support the continued development of Councillors to prepare them for roles they may fill in the future.
- Attract and retain high calibre Councillors.
- Provide all Councillors with the opportunity for development.

4 Councillor Development Panel

- 4.1 The Councillor Development Panel (“the Panel”) has been appointed to promote, oversee and monitor the Council’s member development programme.
- 4.2 The Panel is formed across all of the parties within the Council’s membership and does not reflect political proportionality, representing the apolitical drive for Councillor development. The Panel meets a minimum of 4 times a year.
- 4.3 The Panel is also chaired by a member of Cabinet, exhibiting the commitment from the Council’s leadership to support development amongst members.

5 Identifying Councillor Development Needs

- 5.1 Each year the Panel will introduce and monitor a Councillor Development Programme. This will be tailored to the priority skills and knowledge areas that are identified from the following avenues:

- a) Councillor Needs Analysis – Councillor participation to identify transferrable skills and development needs will be key. The Panel will conduct a Councillor Needs Analysis, asking all members to identify their specific training needs, with the results of this analysis informing the training programme for the coming year

In addition to this, an opportunity will be made available for Councillors to meet on a one to one basis with the Leader/Deputy Leader or a Cabinet Member to discuss their personal development. This will also provide each Councillor with an opportunity to discuss their future aspirations in order for development activity to be put in place which will support this.

Councillors will be expected to take responsibility for their own personal development and maintain appropriate knowledge/skill levels to ensure that they are able to conduct their roles effectively.

- b) Review of Corporate Strategy – The Council will monitor its objectives, performance and external environment to identify factors that may give rise to changing development needs. Such factors may include changes to corporate priorities, changes in legislation, developments in local government services, changes in local government structures/funding or developments affecting other public sector bodies or organisations. A review of these factors may result in priority training needs being identified for the year.

- c) Review of the role of Councillors – The Panel will review the role descriptions for elected Councillors as outlined at Appendix A. The Councillor Development Programme will take account of the content of the role descriptions to ensure that training is delivered which provides Councillors with the skills and knowledge needed to fulfil the specific roles identified. Each newly elected Councillor will be invited to participate in an induction programme relevant to their role.
- d) Specialist Role Needs – Many Councillors will have additional roles which they fulfil or are likely to fulfil in the future. These roles often require specialist or more focused training.

These roles include:

- Leader/Deputy Leader of the Council
 - Chairman or Vice-Chairman of Committees or Sub-Committees
 - Cabinet Member
 - Committee Member for Regulatory committees e.g. Licensing, Planning
 - Overview and Scrutiny
 - Audit
- e) Training Feedback – At each training course, feedback forms will collate comments from Councillors on the quality and value of each course. This feedback will then be presented to the Panel, who will decide on any further development that may be needed.

Training needs for these roles will be identified from the specific role descriptions. Councillors fulfilling specialist roles will be required to attend training relevant to the role in order to be able to fulfil the role.

6 How Councillor Development Needs will be met

- 6.1 Development needs will be met from a range of options in order to support the diverse development needs and learning styles of elected Councillors.
- 6.2 In some cases, the Council will be able to deliver in-house courses using officers. Where necessary, the Council will source external providers for those development needs which require more specialist support/expertise.
- 6.3 Delivery methods may include:
- Training courses
 - Seminars
 - External conferences
 - Councillor briefings
 - E-learning packages
 - Distance learning packages
 - Visits to other councils or relevant partners
 - Shadowing opportunities
 - Mentoring opportunities

- 6.4 Councillors will be encouraged to be involved with the development of fellow Councillors where appropriate by leading workshops, disseminating expert knowledge, offering mentoring and by generally encouraging the take up of Councillor development opportunities. The delivery of these activities will be classed as contributing towards a Councillor's own continued professional development.
- 6.5 In addition, each political group will appoint Councillor Mentors so that more experienced Councillors can provide advice and support to less experienced colleagues.
- 6.6 Newly-elected Councillors will be provided with a thorough Induction Programme upon their election, which will include introductions to key officers and departments within the Council, explanations of key Council policies and meetings with senior Councillors. This process will also include identification of further training needed to fulfil their role as Councillor, and regular follow-up sessions.

7 Resources

- 7.1 Each year budget and resources that need to be devoted to Elected Councillor development will be determined by the appropriate Head of Service as part of the budget setting processes.
- 7.2 These resources will be monitored by the Democratic Services Team Leader to ensure that best value is being achieved.
- 7.3 The budget for Councillor Development is set as part of the Council's budgets at Full Council each year. Democratic Services will seek ways to use the budget in the best way to meet the training needs of Councillors. For example, this could include opportunities for cross authority or partner training on a countywide, regional or national level, looking for training support from national/regional course providers such as the LGA or South East Employers or seeking relevant opportunities for Councillors to attend seminars/conferences hosted by partners.

8 Ongoing commitment

- 8.1 The Council will be committed to ensuring that Councillor Development activity is maintained which adheres to the principles of the Charter for Elected Councillor Development.

These principles are:

- Being fully committed to developing Elected Councillors in order to achieve the council's aims and objectives.
- Adopting a Councillor led strategic approach to Elected Councillor development.
- Ensuring that learning and development is effective in building capacity.
