**Table D: Current recommended spends and cumulative effect on Neighbourhood Portion if all spending options are supported**

### Amendment to Appendix E

- 1.1 Church Access Project: Making St Faith's Accessible to All (C) Page 75 should be highlighted in green.
- 1.2 The Officers Comment on page 89 should be deleted and replaced with:

**Officer Comment:** St Faith's is the Civic Church of the Borough of Havant, and the oldest continually used public building in the borough. As the Civic Church of the Borough, St Faith's is the central gathering point for civic occasions, including the annual Civic Remembrance Service, when members of the armed services, civic leaders and all members of the community are welcomed.

The church is open seven days a week and welcomes people of any faith and no faith to visit - to view, understand and appreciate its history and ambience.

St Faith's Church occupies a unique position; whilst religious worship does, of course, take place there, it is also the place for community gatherings, celebrations and commemorations. By law any resident of the parish has the legal right to be married at St Faith's, (or for their funeral to be held here) utterly regardless of their faith. We understand this is not the case for any other church in the parish.

It is recommended that up £21.5K be spent on this bid with match funding of £63K contributing to the costs of the project.
