3) Any other proposals/ideas/comments regarding a fare increase, please detail below:

Have an annual review of fares every year in the autumn for implementing on Decembwr 1st. if deemed necessary / required. Costs are always rising, but we seem to only address this about every 5 Years. Even HBC put their licences fees up every year.

Suggest current Midnight threshold for Fare + 50% is moved to start at 23.30hrs as there are very few fare requests after midnight so no incentive for drivers to stay out.it Would be more in line with other boroughs.
