I have fulfilled my responsibility under the relevant statutory authorities for preparing the financial statements in accordance with the Accounts and Audit (England) Regulations 2011 and the Code of Practice on Local Authority Accounting in the United Kingdom which give a true and fair view of the financial position and financial performance of the Authority, for the completeness of the information provided to you, and for making accurate representations to you.

Supporting records

I have made available all relevant information and access to persons within the Authority for the purpose of your audit. Minutes of all Council meetings have also been made available. Law, regulations, contractual arrangements and codes of practice

I have disclosed to you all known instances of non-compliance, or suspected non-compliance with laws, regulations and codes of practice, whose effects should be considered when preparing financial statements.

Transactions and events have been carried out in accordance with law, regulation or other authority. The Authority has complied with all aspects of contractual arrangements that could have a material effect on the financial statements in the event of non-compliance.

All known actual or possible litigation and claims, whose effects should be considered when preparing the financial statements, have been disclosed to the auditor and accounted for and disclosed in accordance with the applicable financial reporting framework.

Accounting estimates including fair values

I confirm the reasonableness of the significant assumptions used in making the accounting estimates, including those measured at fair value.

I confirm:

- that the accounting policies used by the Council are fully disclosed in the Accounts
- that I have disclosed any issues relevant to the ability of the authority to continue as a going concern
- the appropriateness of the measurement method, including related assumptions and models, and the consistency in application of the method;
- the assumptions appropriately reflect management's intent and ability to carry out specific courses of action on behalf of the Authority, where relevant to the accounting estimates and disclosures;
- the disclosures relating to the accounting estimate are complete and appropriate under the Code; and
- that no subsequent event requires the Authority to adjust the accounting estimate and related disclosures included in the financial statements.

Related party transactions

I confirm that I have disclosed the identity of the Authority's related parties and all the related party relationships and transactions of which I am aware. I have appropriately accounted for and disclosed such relationships and transactions in accordance with the requirements of the Code.

Segmental reporting

The Council's internal reporting structure divides its services into separate clusters. Financial reports to the Council's management excludes certain statutory adjustments. This reporting format is reconciled to the Comprehensive Income & Expenditure Account in Note 26 to the Accounts.

Subsequent events

I have adjusted for or disclosed in the financial statements all relevant events subsequent to the date of the financial statements.
