Senior Officer Salaries 2021-2022

Introduction

In line with the revised Local Government Transparency Code 2015, the Council is required to publish details under the Accounts and Audit Regulations 2015 of the following information:

- The number of employees whose remuneration in that year was at least £50,000 in brackets of £5,000
- Details of remuneration and job titles of certain senior employees whose salary is at least £50,000, and
- Employees whose salaries are £150,000 or more must also be identified by name

The council is committed to providing value for money and as such has entered into a shared agreement with East Hampshire District Council, whereby a number of senior members of staff are shared with both councils. 50% of staff remuneration for shared roles is recharged back to the other Council.

Although the payment of these posts is often shared equally between the two councils, for the purposes of senior salary publication, remuneration information is shown against the employing council for the postholder.

The same information relating to [senior salaries at East Hampshire District Council](#) can be found on their website.
