

OUR VISION

To increase housing supply for our Borough through measured use of public funds

OUR MISSION

To use our property and assets to increase 5 year housing supply and unlock stalled development sites

OUR GOALS

Creating a joint venture with developers or social landlords

Providing quality homes and being a landlord of choice

Delivering homes based on need and not profitability

Targeting stalled sites to bring more homes to the market

OUR OUTCOMES

To become a housing stock owner of quality affordable homes
To ensure good infrastructure to support new development
To provide sustainable homes with low carbon design standards
