### Item 12 – Councillor Questions Received under Standing Order 27.4.1

	<b>Question From</b>	<b>Question to</b>	<b>Question</b>
1	Councillor Coates	Councillor Robinson and Bowerman	With the agreed lease between HBC and Portsmouth Diocese coming to an end, and no renewed lease in sight - what's the future for Hayling's Legion Field in Hayling East? Given that it is a well-used community play park where landmark local events such as The Donkey Derby have been held for many years, I'm sure the Council understand why residents would like to see it retained and maintained as such; are you able to give them cause to hope that it will be?
