

Review of Clapps Convenience Store 16 July 2014

11 July 2014

HCC Trading Standards Service has noted the submissions and the additional information from the premises licence holder and/or their representative. We believe that revocation of the premise licence is not now an appropriate action to take. However, we do believe it is appropriate and proportionate to impose the following measures :-

All staff who serve behind the till area must have passed the BIIAB Level 2 APLH exam or equivalent within three months of commencing employment.

All sales of alcohol must be personally authorised by a Personal Licence Holder. If a Personal Licence Holder is not present at the premise, no sales of alcohol will be made.

The premises licence will be suspended for three months or until such time as the conditions are fully complied with to the satisfaction of HCC Trading Standards Service, whichever is the sooner.
